Jet fuel capability makes Castroville airport an inviting alternative for corporate travel to San Antonio.

Businesses flying into San Antonio will certainly welcome a great alternative to the busy airports in the city. Located just 22 miles west of San Antonio the Castroville airport makes the perfect destination to fly into, take a courtesy car or rent-a-car into the city and conduct business while your pilot refuels. If your business takes several days your crew will find the Hillside Texas a great place to stay with great restaurants to dine at.

Castroville's newest auto dealership set to break ground in late fall.

The initial phase of the Nyle Maxwell Chrysler-Dodge-Jeep-Ram dealership will be a 32,116 sq.ft., two story structure, with the building and vehicle lots utilizing approximately 5 acres of the nearly 60 acre property.

The estimated value of the new construction is about \$7 million dollars.

The new Niles Maxwell dealership will have a look similar to their Round Rock dealership.

CAEDC member honored by Castroville's Chamber of Commerce.

Pat Marince of PM Creative & Photography was named 2018's Castroville's "Citizen Of The Year," for dedicating his time and energy promoting increasing tourism to Castroville by initiating various projects such as a new website, producing a video, a Botanical Garden Trail in the Regional Park and designing and built birding observation decks.

NEW MEMBER PROFILE.

Realtor Shannon Beasley

The main reason Shannon located her business in Castroville was the quality of life in which to raise her four children. Of equal importance was the quality of Castroville's schools.

As a realtor Shannon focuses on three main areas of which she has substantial knowledge of: Residential homes & properties, commercial real estate and farm & ranch properties.

Shannon is active in the community with a passion for working with and for children. To that end she pours all her energy and time into serving as an MVISD School Board Trustee.

Who needs Starbucks when you have Magnolia Filling Station?

When Shelly and Jerry Mackie moved to Castroville they so fell in love with it they started a business here, The Magnolia Filling Station, celebrating their one year anniversary, is Castroville's answer to the question, "Who needs Starbucks?" Not when they have a selection of great coffees, homemade muffins, breakfast goodies and bagels. All in a historic filling station setting that makes you feel right at home.

RESPEC, the first engineering company in Castroville, opened their office here to create more of a regional presence.

According to Russell Persyn, Texas Area Manager, RESPEC deals in several main areas that include: Flood Plain Mapping, Drainage & Storm Water Design and Civil Engineering. RESPEC has been named the District Engineer for East Medina County Special Utility District.

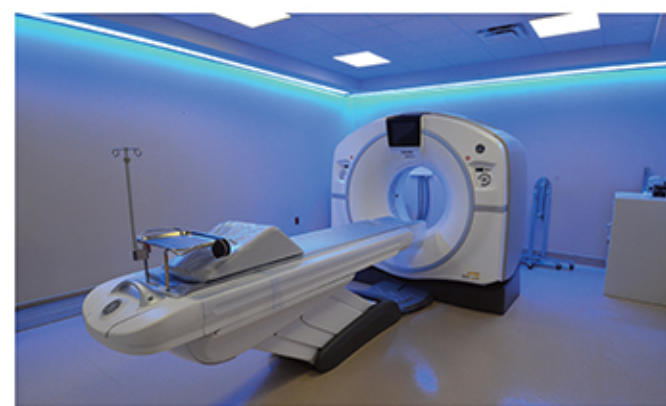

Their most recent project is the 3 mile long hiking and biking Alazan Creek Trail for the San Antonio River Authority and the City of San Antonio in which RESPEC is the lead design team.
